1. On 19 May 1954, a motorized communication detail of 11 EM and 1 officer laid a new 4-wire telephone line from Deutsch Wagram (P 49/33 U:XP 1651) to Vienna. Truck ZIS-5 was observed. 25X1

2. Between 8 a.m. and 2 p.m. on 17 May, 26 MiG-15s and 2 Yak-11s were observed at Deutsch-Wagram airfield. There was a 10/10 overcast at an altitude of about 100 meters, intermittent rain, a westerly wind of about 8 km/h, and good visibility for a range of 2 km. No air activity was conducted. Activity was observed on the aircraft dispersal areas and, occasionally, the running of engines was heard. Individual motor vehicles moved from the flight control station to the dispersal area at the corner of the road on the northwestern edge of the field.² Vehicular traffic between the airfield and Deutsch-Wagram military post involved ambulance tank truck and trucks 25X1
 all with drivers wearing black-bordered blue epaulets. 25X1

3. Sentries wearing black-bordered blue epaulets were posted at the aircraft repair shop in Deutsch-Wagram military post. Crates of an undetermined type were lifted by a crane on to truck with driver wearing black-bordered blue epaulets from the bunkers, which had already been observed on 9 December 1953. Subsequently, the truck moved toward the airfield. Six gray crates were stored near the repair shop. Sedan was parked in the garden of No 28 Haupt Strasse. Truck with driver wearing black-bordered blue epaulets moved into the installation near the school. Truck loaded with food containers left No 25 on Haupt Strasse. A total of 25 motor vehicles were parked in the motor pool. Vehicular traffic observed involved 25X1
 and jeep all with drivers wearing black-bordered blue epaulets. A lieutenant colonel wearing blue-bordered blue epaulets left No 26 Lockfloss Gasse and moved off in jeep with driver wearing black-bordered blue epaulets. 25X1

4. The following motor vehicles were observed at Strasshof military post: 25X1
 with driver wearing red-bordered black epaulets; tank truck 25X1
 and truck with driver wearing black-bordered blue epaulets, parked in front of the large building; 5 motor vehicles including van-like truck 25X1
 parked in the cantonment; and trucks 25X1
